

# The **IMPACT** of *Giving*

Make a difference in your club, your center, your region, **your** Pony Club organization.

**Make a difference! Join us in the:**

## **100% Participation Campaign**

Have your club or center host an “Annual Giving” activity, such as a fun social event for all your members and parents. Talk about the importance of giving, not just to the club and the region, but to the USPC’s Annual Fund as well. Ask that each family make a donation to USPC. The size of the gift doesn’t matter, just that the work of The Annual Fund is recognized.

In one mailing\*, send all the donations to USPC. The National Office will send your club or center a certificate of participation in the Campaign. In addition, your club/center’s efforts will be acknowledged in *USPC News* and in the Annual Report.

While 100% participation of all families is the goal, everyone’s effort is appreciated and makes a difference.

Contact the Development Department for campaign materials and more information on how your club or center can be part of the 100% Participation Campaign at [development@ponyclub.org](mailto:development@ponyclub.org) or 859/254-7669, ext. 228.

### **The USPC Annual Fund Supports:**

Club and Regional Leadership  
Training  
Championships/Festival  
National Youth Congress  
Scholarships

National Testings  
International Exchanges  
HMO, RIC, NE Seminars
