Every time you search the web through GoodSearch on the Pony Club Web site, or designate Pony Club as your charity of choice, USPC receives a donation of 1¢. While that doesn't sound like a lot, the more people who use GoodSearch, the more money raised. Just think how many times you search the web in one day – or in one week – or in one year. It all adds up. And imagine when you add that to the number of members we have, and total it all together. What a great and easy way to raise money for the organization.
