# SECTION I—USPC Rally Uniform Officiation Rules (UOR)

## Article 5—Member Participation and Eligibility

### Participation in Rallies:

At local, regional, and inter-regional rallies, participants may be of any age or certification, must be a member in good standing, must have paid all local, regional, and national dues, insurance fees, and their membership be on record with the USPC National Office at the time of the rally. Members, parents, and anyone participating in USPC activities must all abide by the applicable Code of Conduct. Members seeking Championships eligibility must meet the criteria determined by the discipline committee and outlined later in this document. For rally purposes, the member's age as of January 1st shall be the age of record throughout the competition year.

### Championships Competitor Age and Certification:

Each discipline/division has minimum age and certification requirements for participation in Championships. Championships competitors must meet the age requirement based on their age on January 1 of the Championships' competition year. They must have competed at the minimum or higher certification level at a standard rally and have achieved the minimum certification level by the closing date of the Championships. Therefore, any autumn standard rallies should base their division entry status on the competitor's age for the following year and take into account planned advancements in certification level.

District Commissioners (DCs) and Center Administrators (CAs) are responsible for the eligibility of competitors and mounts at all rallies. It is the responsibility of DCs/CAs and club/center primary instructors to see that mounts and riders are entered in rallies at the level corresponding to the combination's abilities, to make all competitors aware of health requirements i.e., Coggins, immunizations and state health certificates with valid dates, and to see that entry forms are complete and submitted to the rally secretary on time. It is also the responsibility of DCs/CAs to see that all Pony Club members in their jurisdiction have access to a copy of the current USPC discipline rulebook, current USPC Horse Management Handbook (HMH), current USPC discipline annual newsletter(s) and any other relevant information from the USPC discipline committees or the organizer of a specific rally where they will be competing.

## Article 6—Member in Good Standing

Members are considered in good standing if they are current with all dues and fees owed the registered club/riding center program, and region.

## Article 7—Code of Conduct Expectations

Anyone not conforming to the code of conduct is subject to the following action: the officials of the competition may immediately suspend or expel any individual from the competition upon consulting with the discipline ground jury.

DCs, CAs, RSs, rally organizers, officials and judges must be familiar with, and enforce, the Participating Member and Adult Code of Conduct.

### Participating Member Code of Conduct

The United States Pony Clubs, Inc. is proud of its reputation for good sportsmanship, horsemanship, teamwork and well-behaved members. The USPC expects appropriate behavior from all members, parents and others participating in any USPC activity. Inappropriate behavior may include, but is not limited to: possession, use or distribution of any illegal drugs or alcohol; profanity, vulgar language or gestures; harassment (i.e., using words or actions that intimidate, threaten or persecute others before, during or following USPC activities); failure to follow rules; cheating; and abusing a mount.

### Adult Code of Conduct

The United States Pony Clubs, Inc. is proud of its reputation for good sportsmanship, horsemanship, teamwork and well-behaved members. It expects no less from the parents, guardians, adult family members or others who volunteer for the organization. The USPC expects appropriate behavior when participating in any Pony Club activity. Inappropriate behavior may include, but not be limited to: profanity, vulgar language or gestures; harassment (for example: using words or actions that intimidate, threaten or persecute others before, during or following any Pony Club activity); failure to follow rules; cheating; or abusive behavior.

*"I understand that USPC activities operate under the governance of USPC and are subject to all applicable USPC By-laws, Policies, Rules and Regulations. I understand that I have access to these By-laws, Policies, Rules and Regulations and that it is my responsibility to read them. I agree to adhere to these By-laws, Policies, Rules, Regulations and this Code of Conduct."*

## Article 8—Human Use of and Alcohol & Drugs Policy (Policy 0500)

In the interest in the safety and welfare of all, it is the policy of the Board of Governors, during any Pony Club activities, to prohibit the inappropriate or illegal use of any substance, including but not limited to drugs or alcohol, by anyone participating in any manner. Weapons of any kind are forbidden.

## Article 9—Mounts (Policy 0840)

Mounts used at a regional or interregional rally should be the participant's regular USPC mount, and be accustomed to being handled by its rider without adult supervision. A participant may use a mount other than the regular mount only with the advance permission of the DC/CA and RS.

Per USPC Policy suitable mounts are defined as follows:

1. Stallions are not considered suitable mounts.
2. Mounts must be serviceably sound, in good overall health and in condition for the activity in question.

## SECTION I—USPC Rally Uniform Officiation Rules (UOR)

---

3. Mounts must be appropriate for the certification level of the rider and must be at a level of training to participate safely in the activity.
4. Except as noted below, mounts must be at least five (5) years of age in order to participate in USPC competitive, instructional, and recreational programs and activities. In establishing the age of mounts, the first year is considered to be January 1 following the date of foaling.
5. Members holding a riding certification of C-1 and above may participate in all USPC activities on an appropriate mount at least four (4) years of age (See above). A mount must be excused from any activity if in the opinion of the instructor, examiner, or appropriate authority, it is unsafe either to its rider or to other riders or mounts.

Ownership of a mount is not a prerequisite for membership in USPC. The responsibility for obtaining a suitable mount for mounted activities rests with the parents or guardians of the individual member.

### Article 10—Substitution of Mounts

For all mounted rallies (except Tetrathlon) mount and rider become eligible for Championships as a team. Therefore, a competitor must enter Championships only on the mount they earned eligibility on. In extraordinary circumstances, after becoming eligible for Championships, a substitute mount may be requested utilizing the appropriate form, by the RS and must be approved by the applicable discipline chair and the Vice President of Activities.

Any substituted entry must meet the same mount and eligibility requirements as the original entry.

**No mount substitution may be made once a competition has commenced. Refer to the Mount Substitution online application found on the Championships Information page of the USPC website.**

### Article 11—Sharing of Mounts

In some disciplines and in some competitions, the sharing of mounts may be allowed. At regional rallies, the rally organizer in consultation with the RS may allow for the sharing of mounts by competitors. For Championships, requests for shared mounts must be submitted to the appropriate discipline chair, and VPA utilizing the Mount Substitution online application found on the Championships Information page of the USPC website. Each request will be reviewed on a case-by-case basis, for approval or denial. Determination of shared mounts must take into consideration the discipline, competition schedule, and suitability of mount. The welfare of the mount will be the highest priority in this situation and all competitors must agree that if the horse management, judges, technical delegate/steward, or organizers onsite feel that the health of the mount is in jeopardy at any time that they may be removed from the rest of the riding portion of the competition.

### Article 12—Veterinary Care and Medications (Policy 0860 and 0860.P1)

**Per USPC Policy 0860 and 0860.P1. DCs/CAs, RSs, rally organizers, officials and judges must be familiar with and enforce this policy. Parents and competitors must also be familiar with and abide by this policy. Failure to observe this policy will result in disqualification.**

1. All mounts in a USPC sponsored activity shall be serviceably sound and healthy. Mounts should be free of medication other than dressings for minor wounds or scrapes, unless under treatment by a veterinarian. Medications and supplements may not be used to provide an unfair advantage over other competitors or to allow an unfit mount to be used.
2. Medication is defined as any substance that is not water, salt, electrolytes, or a supplement and is not considered a normal foodstuff. It is administered either orally, via stomach tube, by application to an external surface, or by injection.
3. Any mount under treatment by a veterinarian for a condition requiring administration of a medication while at a Pony Club activity or competition shall have a veterinarian's certificate stating the diagnosis, medication, dosage and method of administration.
4. Supplements that are administered to any mount at a Pony Club activity or competition must be recorded on the mount's feed chart and stall card.
5. Medications or supplements may only be administered by the owner of the mount, or by a person designated by the owner of the mount.
6. If, during the course of an activity, it becomes necessary to administer a tranquilizer, stimulant, or depressant (e.g., for suturing) the mount may not be used while under the influence of the medication.
7. Competitors at a rally shall be governed by the procedures on the use of equine medications and supplements described in the Horse Management Handbook.

For any competitions recognized by USEF, or in states that require it, mounts may be drug tested.

### Article 13—Cruelty to and Abuse of a Mount

**Cruelty to or the abuse of a mount present on the grounds of any competition is forbidden and renders the offender subject to penalty. The organizing committee must bar violators from further participation for the remainder of the competition.**

**Any action(s) against a mount by a competitor or other person, which are deemed excessive by a judge, steward, technical delegate or competition veterinarian, in the competition ring or anywhere on the competition grounds may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the organizing com-**

mittee. Such action(s) may include, but are not limited to excessive use of the whip or spurs.

USPC, judges, stewards, or TDs may appoint a veterinarian to inspect any animal on competition grounds or entered to compete. Refusal to submit an animal for examination by an authorized veterinarian after due notification shall constitute a violation.

The following are included under the words cruelty and abuse but are not limited thereto:

1. Abuse. Any act or series of actions that, in the opinion of a judge, TD, steward, member of the discipline ground jury or other rally official can clearly and without doubt be defined as abuse of mounts shall be penalized by disqualification. Such acts include, but are not limited to:
  - Riding an exhausted mount.
  - Excessive pressing of a tired mount.
  - Excessive use of whip and/or spurs, and/or bit.
  - Striking a mount in front of the shoulder.
  - Riding an obviously lame mount.
2. Rapping. All rapping (poling) is forbidden.
3. Whip. The use of the whip must be for a good reason, at an appropriate time, in the right place, and with appropriate severity.
  - Reason—The whip must only be used either as an aid to encourage the mount forward, or as a reprimand. It must never be used to vent a rider's temper. Such use is always excessive.
  - Time—As an aid, the only appropriate time is when a mount is reluctant to go forward under normal aids of the seat and legs. As a reprimand, the only appropriate time is immediately after a mount has been disobedient, e.g., napping or refusing. The whip should not be used after elimination. The whip should not be used after a mount has jumped the last fence on a course or completed the last obstacle.
  - Place—As an aid to go forward, the whip may be used down the shoulder or behind the rider's leg. As a reprimand, it must only be used behind the rider's leg. It must never be used overhand, e.g., a whip in the right hand being used on the left flank. The use of a whip on a mount's head, neck, etc., is always excessive use.
  - Severity—As a reprimand only, a mount may be hit hard. However, it should never be hit more than two times for any one incident. If a mount is marked by the whip, e.g., the skin is broken, its use is excessive.
4. End of the Reins (Western Trail only) - The use of the end of the reins must be for a good reason, at an appropriate time, in the right place, and with appropriate severity.
  - Reason—The end of the reins must only be used either as an aid to encourage the mount forward, or as a

reprimand. It must never be used to vent a rider's temper. Such use is always excessive.

- Time—As an aid, the only appropriate time is when a mount is reluctant to go forward under normal aids of the seat and legs. As a reprimand, the only appropriate time is immediately after a mount has been disobedient, e.g., napping or refusing. The end of the reins should not be used after elimination.
  - Place—As an aid to go forward, the end of the reins may be used down the shoulder or behind the rider's leg. As a reprimand, it must only be used behind the rider's leg. It must never be used overhand, e.g., the end of the reins in the right hand being used on the left flank. The use of the end of the reins on a mount's head, neck, etc., is always excessive use.
  - Severity—As a reprimand only, a mount may be hit hard. However, it should never be hit more than two times for any one incident. If a mount is marked by the end of the reins, e.g., the skin is broken, its use is excessive.
5. Spurs—Spurs must not be used to reprimand a mount. Such use is always excessive, as is any use that results in a mount's skin being broken.
  6. Bit—The bit must never be used to reprimand a mount. Any such use is always excessive.
  7. Reporting—Officials must report such actions as soon as possible to the discipline ground jury, supported where possible by statements from witnesses.
    - Discipline ground jury—if such actions are reported, the discipline ground jury shall decide if there is a case to be answered. If an individual member of the discipline ground jury observes such actions, they are obliged to disqualify the competitor forthwith on their own authority. There is no appeal against a discipline ground jury's decision in a case of abuse.

### Article 14—Dangerous Riding

- Any competitor who rides in such a way as to constitute a hazard to the safety or wellbeing of the competitor, mount, other competitors, their mounts, spectators, or others will be penalized accordingly.
- Any act or series of actions that in the opinion of the judge, TD, steward, member of the discipline ground jury can be defined as dangerous riding shall be penalized at the discretion of the discipline ground jury.
- If such actions are reported, the discipline ground jury shall decide if there is a case to be answered. There is no appeal against a discipline ground jury decision.

### Article 15—Safety (Policy 0800)

USPC is committed to safety while recognizing that equestrian activities are inherently dangerous. The USPC Safety Handbook is an excellent resource for making safety a priority at all rallies and Pony Club functions. This dedication to safety

## SECTION I—USPC Rally Uniform Officiation Rules (UOR)

---

extends to requiring certain equipment be utilized during Pony Club activities and include:

1. **Protective Headgear (Policy 0810):** USPC requires members participating in mounted and some unmounted activities to wear a properly fitted equestrian helmet, securely fastened, containing certification that it meets the criteria established by the following international or national safety bodies: ASTM F1163 (North America), AS/NZ 3838 (Australia and NZ), PAS 015 (UK).
2. **Safety Vest/Body Protector (Policy 0830):** USPC requires members to wear a properly fitted equestrian body protector when jumping cross-country or solid obstacles during any activity sponsored by the USPC, its regions, registered clubs or riding center programs. A member may wear a body protector at their discretion for any mounted activity. USPC recommends wearing a body protector that is ASTM-certified (manufactured in US) or certified to the BETA Level 3 (manufactured in Great Britain).
3. **Medical Armbands and Bracelets (Policy 0820 and 0820P):**
  - USPC requires that members participating in any USPC affiliated mounted or unmounted activity, must wear either a Medical Armband or Medical Bracelet while participating in the activity. The member may choose which one to wear.
  - Medical armbands must include a current completed copy of the individual's USPC or USEA Medical Card. It must be worn on the upper arm. If the member has small arms, they may safety pin the armband to his/her upper sleeve. (Armbands are available for purchase from Shop Pony Club.)
  - Medical bracelets must visibly list these six items on them: name and date of birth, contact information, known allergies, current medications, and existing medical conditions. More information is acceptable, but these six items are required to be on the bracelet
  - All officials on site at the USPC mounted or unmounted activity are encouraged to work with the competitors to remind them of this requirement.
  - Any member at a USPC affiliated mounted or unmounted activity\* found not wearing either a medical armband or medical bracelet must be removed from the activity until the member conforms to the policy requirements.
- \* Tetrathlon competitors will not be required to wear them while actually shooting or swimming but must have them visible and next to them for these activities and must wear them at all other times.
4. **Unmounted Footwear:** When working in the barn or near mounts unmounted footwear must meet all the following criteria:
  - Thick-soled , shoes/boots (short or tall)
  - Cover the ankle

- In good condition
- Made of leather or synthetic materials
- Entirely closed
- Securely fastened
- Well-fitted to foot
- Sturdy construction (e.g., Ugg-type boots do not meet this requirement)

Examples: paddock/jodphur boots, rubber riding boots, rain boots/wellies, western boots.

5. **Smoking:** In the interest of barn safety, it is strictly forbidden for anyone to smoke in or around barn and stable areas.

### Article 16—Heat Related Information

**Heat Illness (Policy 0900):** USPC requires all Pony Club volunteers in a leadership position within Pony Club and especially anyone involved directly with mounted or unmounted lessons or activities to complete the Centers for Disease Control and Prevention (CDC) heat illness training module.

At all USPC activities, rally officials must consider the:

- Temperature and humidity using the “Heat Index Chart” (Appendix II).
- Time of day and season of activity.
- Level of exertion necessary for participation in the activity.

The Heat Index (HI) or “Apparent Temperature” is the temperature the body feels when heat and humidity are combined. This reduces the amount of evaporation of sweat from the body and outdoor exercise becomes dangerous even for those in good shape. Please refer to Appendix II.

Steps to prevent heat related illness include:

- Providing unlimited cool water for consumption in ALL areas, especially riding areas.
- Make water breaks mandatory.
- Do not depend on thirst as an indicator of the need for water.
- Avoid the hottest part of the day if this is an option.
- Consider shortening the length/level or exertion of the activity.

During rallies, the discipline ground jury (overall ground jury at Championships) is responsible for monitoring the Heat Index and taking appropriate action as necessary. Those actions could include, but are not limited to:

- Waiving of coats/jackets
- Banning of coats/jackets
- Altering of schedule

Any official can and should bring a potentially dangerous heat situation to the attention of the president of the ground jury.

# SECTION I—USPC Rally Uniform Officiation Rules (UOR)

3. Decided by
  - Inspection panel at horse inspection
  - Judge
  - Discipline ground jury
4. May not ride; therefore, will not receive any riding score during the Excuse, but
  - May request a lameness recheck
  - Rider may request to compete in following phases/ rounds/games after if illness passes.
  - Both the mount and rider shall stay on rally grounds (unless the mount is transported for medical reasons) and continue to participate with the team and continue to be scored in horse management.
  - If ill, mount will be moved to another area, if possible.

## Article 20—Elimination

- Elimination means to exclude a competitor or mount, for cause, from judging consideration in a class/phase. Competitor not scored in a class due to a mistake (e.g., use of illegal equipment, violation of the rules of phase/rounds/ games.)
- After elimination, the discipline ground jury in consultation with the organizer, may allow participation in subsequent phases/rounds/games.
- Determined by judge or discipline ground jury.
- Refer to scoring of penalties for additional discipline specific reasons for elimination.

## Article 21—Disqualification

Disqualification is a punishment for misconduct arising from a deliberate attempt to contravene the rules and regulations of USPC applied at the discretion of the discipline ground jury. Any disqualified competitor and their mount may not take further part in the competition including in horse management.

Reasons for disqualification include, but are not limited to:

- cruelty (Article 13);
- abusive or unsportsmanlike conduct;
- obscene or inappropriate language;
- the use of drugs (other than those prescribed by a physician), alcohol, or tobacco (Article 8);
- rude and disruptive behavior;
- cheating;
- rough or dangerous riding;
- knowingly riding a lame, sick, or exhausted mount;
- misuse of equine medications (Article 12);

If such actions are reported, the discipline ground jury shall decide if there is a case to be answered. When considering the disqualification of a competitor, the discipline ground jury may decide to give a Yellow (Warning) Card in lieu of disqualifying a competitor. If a Yellow Card is assigned to a competitor, it may or may not include penalty points not to exceed a 50% impact on the associated phase score if related to a single phase, or a 50% impact on the overall score. There is no appeal against a discipline ground jury decision on issuing a Yellow Card or disqualifying a competitor.

Refer to Section V for additional discipline specific reasons for disqualification and scoring.

### Appendix III: Chaperone and Emergency Contact Information

#### Team Chaperones vs. Emergency Contacts

When competitors under the age of majority (minors) participate in a rally, there will be a designated “Official Team Chaperone.” In the situation of scramble teams, the official team chaperone will be appointed by the rally officials and will be so noted in the rally program. The team chaperone serves as the team contact for rally and a responsible guiding presence to prepare the team for success. Competitors who are above the age of majority (adults) participating in a rally will not have a designated chaperone but must submit the name and contact information for their emergency contact.

#### Team Chaperones

##### *Time Commitment*

The official team chaperone is responsible for team members during the hours of competition and on competition grounds only (from arrival on grounds until departing rally ground at beginning and end of each day of competition).

##### *Transportation, Driving and Lodging*

Decisions to allow a competitor to drive or not, who they can or cannot ride with, who they can or cannot have in a vehicle that they are driving, where they stay at night and with whom they stay, and who is to be responsible for a competitor are all decisions that must be made by the parent/legal guardian. These decisions are not a decision of USPC, their region, club/center, or the rally organizer. Specific arrangements must be made by and between the parent/legal guardian and the adult assuming any of these responsibilities in the absence of the parent/guardian.

##### *Preparing Your Team for Success*

- Initiate contact with all team members prior to leaving for the competition and gather cell phone numbers as appropriate. In cases of scramble team members, request contact information from the rally secretary. Share this information with team captain and/or stable manager.
- Encourage the team to have meetings prior to leaving for rally. Be sure all members of a scramble team are included in the decision-making process, either by email or phone contact, if a distance away.
- Discuss team equipment, review all rules that apply and any decisions regarding snacks, drinks, plans for meals, etc. Determine how the team members plan to provide snacks and drinks (i.e., each team member contribute a sum of money to a pot or each member is assigned specific items to bring). If each is contributing money, it must be collected before the rally. Be sure to know who is bringing cooler(s), as to avoid a trip to the local store.

- Plan arrival time at the competition site and any details such as arrangements for ordering bedding, if needed, and who is assigned to do this (again collect money in advance if needed).
- On the first day of the rally, gather the team together before they separate for the night and make plans for the next day. Include a review of their competition schedule and how they can best work together to help each other prepare.
- Determine a regular meeting place and de-brief the team at the end of each day of competition. Take this opportunity to offer words of praise, acknowledge their accomplishments, and encourage the sense of teamwork and team building. Guide the team towards constructive criticism and steer them away from finger pointing. Have the team make plans for the next day concerning time they will arrive on the competition grounds, who will feed horses the next morning, who will re-supply the tack room cooler with ice, drinks and snacks (get requests for drinks/ snacks) and make the plans for lunch. Be sure any plans for cooler and/or lunch delivery follow any requirements as stated in the competition entry and they understand the plan. Have the team leave with a plan for the next day in place before they go off for an evening of relaxation.

#### Emergency Contacts

Anyone listed as an emergency contact for a competitor should be reachable by phone for the duration of the competition. Emergency contacts do not need to be on the competition grounds, but ideally are also within driving distance of the competition in the case of an emergency.

## SECTION VI—Appendices

### Appendix III Chaperone Form

*To be completed by the chaperone and turned in with the rally entry for USPC members below the age of majority.*

#### Chaperone duties shall include:

1. The primary function of the “Official Team Chaperone” is to ensure that there is a contact person for every USPC member below the age of majority, on the grounds for the duration of the competition.
2. While multiple Chaperone Forms may be turned in for a single team, only one person will be designated the Official Team Chaperone. If the Official Team Chaperone must leave the grounds during the competition, they must delegate the team chaperone duties to another responsible adult, making it clear that they are to respond to rally officials and any team members in your absence.
3. Be present and available to rally officials and all team members for the duration of the competition.
4. Being in contact with parents/guardians for all team members during competition hours.
5. Being in contact with all team members and their parents/guardians outside of competition hours.
6. Have copy of and be familiar with the current discipline rulebook and the current Horse Management Handbook and Rules for rallies. Rulebooks available for download from [www.ponyclub.org](http://www.ponyclub.org).

### Appendix III Emergency Contact Form

*for USPC Members Above the Age of Majority*

The age of majority is the threshold of adulthood in law. As USPC members above the age of majority are adults in the eyes of the law and therefore responsible for themselves; USPC does not require a “chaperone” for these members at competitions. USPC does require that members above the age of majority submit Emergency Contact information for each competition. Age of majority varies per state.
