2021 EVENTING RULEBOOK

The 2021 rulebook is now available online and through Shop Pony Club. Minor edits (shown in red font) were made since 2020, and replacement pages are available on the rulebooks page of the website. The key changes are listed below:

- *Article 6* – Changes made to the Member in Good Standing Policy.
- *Article 21 & 61* – Rally discipline ground juries now have the ability to assign a Yellow (Warning) Card and potential penalties to competitors who commit disqualifiable offenses. This allows it to become a teachable moment for competitors instead of expulsion from the competition.
- *Article 27 & Appendix III* – Chaperones and Emergency Contact information was updated.
- *Article 32* – Clarification about the Championships eligibility process if an Eventing rally is not available.
- *Article 36* – Competitor Attire was updated based on USEA rule changes and other minor corrections.
- *Appendix VI* – The Coaching Form received updates.

Reminders

Safety Vests

Following Board Policy 0830, USPC requires members to wear a properly fitted equestrian body protector when jumping cross-country or solid obstacles during any activity sponsored by the USPC, its regions, registered clubs or riding center programs. USPC recommends wearing a body protector that is ASTM-certified (manufactured in US) or certified to the BETA Level 3 (manufactured in Great Britain).

Modified Competition Level

Established by USEA in 2017, the Modified competition level has not been adopted by USPC for 2021 due to the lack of USEA HTs offering this level. We will review for 2022.

USPC EVENTING CHAMPIONSHIPS

USPC is pleased to host Festival Eventing Championships 2021 at the Kentucky Horse Park, July 19-23. Cross-entering not permitted. Please remember there is a new registration process which requires the member to register themselves. More details about the competition and registration process will be included in the Guidebook to Championships and posted on the Championships Competition Information page of the USPC website.

CHAMPIONSHIPS ELIGIBILITY INFORMATION CONT.

Exceptions

Competition eligibility exception requests will be handled on a case-by-case basis. There are no exceptions to the age or certification requirements. All competition exception requests must be submitted by the regional supervisor using the online system, www.ponyclub.org/Events/Championships/CompetitorInformation.aspx.

Mount Substitutions

Mount substitution requests will be handled on a case-by-case basis. All mount substitution requests must be submitted by the regional supervisor using the online system, www.ponyclub.org/Events/Championships/CompetitorInformation.aspx.

Comparable Events

It is required that the additional HT(s) required for Championships eligibility be USEA/USEF recognized. We realize that in some regions it may be difficult to obtain this second recognized USEA HT. In this case, a "comparable" unrecognized HT may be used, but only if pre-approved by the Eventing Chair annually. Approval from one year does not carry over for subsequent years. All comparable event requests must be submitted by the regional supervisor prior to the event using the online system, www.ponyclub.org/Events/Championships/CompetitorInformation.aspx.

The definition of a "comparable" HT is an unrecognized HT, ideally held at the site of a sanctioned USEA HT, where the construction and dimensions of the cross-country fences have been approved by an USEF-licensed Eventing Technical Delegate, or an Eventing Judge. The Dressage tests must be judged by a licensed USEF/USDF Dressage judge or an Eventing judge (L, r, R or S); the cross-country phase must be timed, and a jump judge needs to oversee each jumping fence; the Stadium jumping phase must be timed.

EVENTING RALLY SUPPORT

Rally Amid COVID-19

Rally organizers must consult and follow the guidelines outlined in the USPC Requirements and Recommendations for Mounted Rallies During COVID. The current guidelines are available on the Rally Resources & Materials page of the USPC website.

Rally Resources & Materials Web Page

The Rally Resources & Materials page of the USPC website received a significant overhaul. You must be logged into the Pony Club website to access the page. Rally organizers are encouraged to check out the new resources in addition to the current USPC Requirements and Recommendations for rallies. The new Rally Organizer's Guide is available for download from the website, or for purchase from Shop Pony Club. Suggestions for the page? Please email them to Activities@ponyclub.org.

Rally Technical Delegate Reports

Regional rally organizers are reminded that Technical Delegate Reports are REQUIRED for standard rallies and requested for all rallies because they aid the discipline committees in monitoring the number of Pony Club competitors participating in the discipline across the U.S. Electronic versions of TD reports are always preferred, but hardcopy versions are also acceptable. Please make sure that your Technical Delegate is submitting the reports to the National Office.
