

Regional Administration

Below are the answers to questions received by Regional Administration following the 3-16-20 notice of all USPC sponsored events being suspended as of March 18 for 30 days.

Frequently Asked Questions (FAQ):

- What is a “gathering”? Two or more persons together in physical proximity to each other, no matter what the distance.
- Can our Club, Center or Region hold an outdoor meeting, if we are a very small club? NO. Club, Center and Region activities of any kind are considered “USPC Sponsored” and as of Wednesday, March 18, are not allowed for the next 30 days.
- Can my Pony Club children still have their riding lessons with their Pony Club coach? It depends. If the riding lessons are part of their Club or Riding Center’s programming for Pony Clubbers, then NO.. If the riding lessons are privately arranged between your children and their coach, then MAYBE. You will want to see if your local or State government authorities have specific guidance about meetings or sporting activities.
- May I still have a clinic at my farm that also is a Pony Club Riding Center? It depends. If it is a Pony Club-sponsored Clinic, then NO. If it is sponsored by your farm, then MAYBE. You will want to see if your local or State government authorities have specific guidance about meetings or sporting activities.
- How will I know if there are any changes or updates made to USPC’s status in relation to COVID-19? To stay current with the latest notices and information about Pony Club and COVID-19, please visit the [website](#).
