Dear Pony Club Members, Families, Leaders, and Volunteers,

As you know, after careful consideration of the current circumstances and COVID-19 information available, The United States Pony Clubs, Inc., has made the decision to reschedule USPC Festival 2020 Presented by SSG Riding Gloves to July 19-26, 2021. Protecting the safety and well-being of Pony Club members, volunteers, staff, supporters, leadership, and the local community must take precedence at this time.

Festival has been a beloved triennial tradition for Pony Club since 1983. Held at the legendary Kentucky Horse Park, the weeklong event combines the best of Pony Club's educational opportunities with the excitement of Championships competition. Pony Club is appreciative of all the hard work and passion our organizers, volunteers, leaders, supporters, and members have invested in planning for Festival.

Preparations are already underway to ensure that USPC Festival Presented by SSG Riding Gloves will be a memorable celebration for all in 2021. We do not yet have all the answers and logistics formulated, however, we can assure you that Pony Club is committed to providing the best possible experience for our Festival attendees. With this unique situation and in consideration of the lack of all equestrian activities recently, we are reviewing timelines, parameters, and criteria to be as accommodating as possible for our members. We promise to keep you informed as additional information on competition eligibility becomes available. Whether your goal is to attend Championships competition or any of the valuable Educational Workshops and Clinics, we want to see you at USPC Festival in Kentucky in 2021.

Together we will work to create new opportunities for learning, fun, camaraderie, inclusion, and connection while we look favorably to the future. Thank you for helping us work to deliver a Festival experience that our members will remember for the rest of their lives.

Sincerely,

Teresa Woods
USPC Executive Director
