

INFORMATION FOR DELEGATE

Congratulations! Your Pony Club or Riding Center has recommended you represent your Region as a delegate to the National USPC Youth Congress (NYC). It is an honor to be recognized by your club or center and region as being a Pony Club member who demonstrates leadership skills and exhibits volunteerism! Your Regional Officers have considered candidates from all the clubs/centers in your region and have selected one or more Pony Club members to represent your region at the NYC.

2021 National Youth Congress will be a virtual experience. The plan is to have it run two days, January 28, 29, and 30th, 2021. More detail about times will be shared after the nomination process is complete.

If selected, we hope you will be able to make such a commitment. The NYC Chair will be happy to provide you a letter to explain the program to your college or high school if needed to explain the program for an excused class absence or to document the event for your resume.

Attendees are asked to provide a short biography and two photographs (one with a horse and one without) to introduce you to the other candidates. Please write in the 3rd person (she/he, her/his). Please keep the biography to approximately 250 words. In your bio, please include the following information:

- Pony Club or Riding Center and Certification level(s)
- School and extracurricular activities
- Horse Activities
- Hobbies, pets, unique experiences
- Favorite horse

In addition, think about your future (15-20 years from now), and answer the following questions:

- What do you envision for yourself?
- What do you imagine your role in Pony Club will be?
- What have you learned in Pony Club that you think will be most helpful to you at that time?

Please submit your bio (next page or submit as separate document) and two photos electronically to instruction@ponyclub.org

The bio and pictures must ALL be received or your application will be considered incomplete and you will be placed on the alternate list. In addition, your information might not be included in the NYC program and you may not receive your NYC packet.

With best wishes for a successful application,

The NYC/AA Committee
