

VOLUNTEER RECOGNITION AWARD

In 1993, this select award was established by the USPC Board of Governors. The **VOLUNTEER RECOGNITION AWARD** is intended to be very special, saved for the most valued Pony Club volunteers who have *"gone above and beyond the call of duty."* When a club, center, or region has determined someone to whom they wish to present the award, they may download and complete the Volunteer Recognition Certificate to present to the volunteer. Following presentation of the award, submit the following for an upcoming issue of *Pony Club News*.
