Pony Club International Alliance Virtual Dressage Show

October 7, 2022 (Lexington, KY) — Pony Club members from around the world are competing internationally in the virtual arena of the second Pony Club International Alliance Dressage Show. The virtual dressage show will be held October 17–28 with five classes consisting of: Training Level 14 and under, First Level 18 and under, Second Level 25 and under, Pas de Deux (all ages), and Prix Caprilli (all ages).

This event is to further promote the international organization through an activity that involves Pony Club members in different countries. While many areas around the world are back to more normal activities following the COVID-19 lockdowns and restrictions, this virtual event continues to offer expanded opportunities for engagement. It also serves as a valuable showcase for the talents of Pony Club members worldwide, as well as the benefits of Pony Club's education and instruction.

The excitement for this year's PCIA Virtual Dressage Show is mounting among the 160 entries (up from 144 competitors last year) competing from Australia, Canada, Hong Kong (China), Ireland, New Zealand, South Africa, the United Kingdom, the United States, Singapore, and the Cayman Islands.

Final results will be judged and finalized by November 12, 2022.
