### Survey Says:

### Take the Impressions of Pony Club Survey

**May 8, 2019 (Lexington, KY) — Have an opinion? We would like to hear it...** Take the [Impressions of Pony Club Survey](#). Your participation will help expand resources and educational opportunities to anyone interested in pursuing a life with horses.

The United States Pony Clubs, Inc., was established 65 years ago to develop and encourage both, the knowledge of horsemanship, and the care of horses. Through the years, Pony Club has become the largest provider of equine education in the world. This year, we are asking you to reflect on the impact Pony Club has had, so we can explore how best to continue making educational resources accessible to all horse enthusiasts.

Feel free to share or forward this survey to any friends, family, and members of your community. All opinions and impressions are helpful and completely confidential. Please take 5-10 minutes to complete this survey and share any impressions you have of Pony Club as an organization. <https://www.surveymonkey.com/r/DDMTLGP>. Your answers will help USPC continue to better meet the needs of the equestrian community.
