**General Comments**

*Comments from President Jennifer Sweet*

President Sweet is very honored to be USPC’s President and truly believes in the organization and what it teaches its members and volunteers.

USPC is poised to continue our growth and expand our programs to people and places that may or may not know who we are, but who will benefit from all that Pony Club is and what it teaches.

In January, President Sweet appointed the Local Club and Regional Ad-Hoc Committee. Their task is to review and understand the current local club structure while identifying any issues or areas that may be impeding a volunteer’s ability to effectively perform their duties, or the club’s ability to efficiently operate and serve its membership. Based on the conclusions of the Ad-Hoc Committee, specific recommendations may be brought to the Board of Governors to address.

President Sweet will be attending Championships East at the Tryon International Equestrian Center in Mill Spring, NC, and is thrilled to be able to attend.
